

EVENT INFORMATION

What is the KICKS Public Art Event?

Similar to the Bow WOW Art Dog Event that was introduced to Ridgefield in the Spring of 2021, KICKS Public Art Event brought to you by Ridgefield Running Company is a community wide event, benefiting ArtFul Visual Arts Initiative and KICKS for Kids, where local businesses and citizens can sponsor fiberglass resin sneaker sculptures to be decorated and displayed all over Ridgefield, CT.

Local artists are welcomed to submit design proposals and, pending selection, will be commissioned to bring their KICKS Sneaker Sculptures to life. KICKS Public Art Event will support local artists, promote local businesses, and further Ridgefield's community beginning Spring 2024, the completed KICKS Sneaker Sculptures will be displayed around downtown Ridgefield, CT.

A "parade", coordinated by *ArtFul* Visual Arts Initiative and KICKS for Kids, will include a map designating the locations of all completed sculptures and community events including Running and Active lifestyle event "Run around town Scavenger Hunt".

Fall 2024, a "Just for KICKS Auction" will be held to auction the KICKS Sneaker Sculptures wherein all net proceeds will benefit ArtFul Visual Arts Initiative and KICKS for Kids. The event will incorporate both a silent and live auction.

For more information about becoming a sponsor, artists applications, or volunteer opportunities, visit www.artful-gives.org/KICKSpublicartevent.com, send an email to info@artful-gives.org, or call (203) 894-5609.
