

About the Event

The **KICKS Public Art Event** is presented by ArtFul Visual Arts Initiative (ArtFul). From June through Mid September, you will notice these cool Sneaker Sculptures kick their way into your heart.

As you stroll through the Town of Ridgefield, get to know the KICKS Sneakers (locations on map inside.) Each *Sneak-tacular Sculpture* was sponsored by area businesses and paired with a local artist to add a one-of-a-kind themed sculpture for your enjoyment! Thanks to our generous sponsors and amazingly talented artists, we can lead all of Ridgefield and its visitors on a walking tour to find their favorite KICKS Sneaker.

We wonder, which is your favorite Sneaker?

Take a picture with your phone and tag @ArtFulgives and #KPAEaroundtown on Facebook or Instagram for your chance to win a 1.5ft sneaker of your own!

Then, **SAVE THE DATE**. On September 24th, the excitement continues as we auction these sneaker sculptures at the "Just For KICKS" fundraiser event. Want to kick it' at your place, it's easy! Simply look for the QR Code on the sponsor plaques and you will be led to the online auction.

The fundraiser event will benefit KICKS for Kids, and ArtFul Visual Arts Initiative. Find out more by *running* your way to artful-gives.org or email us with inquiries, info@artful-gives.org.

Get your tickets for the "Just For Kicks" Auction Event
